About *SIRJ*

Swarthmore International Relations Journal (SIRJ) is an undergraduate journal publishing works on global affairs. Established in 2016, *SIRJ* is student written, edited, and produced. The primary goals of *SIRJ* are twofold: to help foster a new generation of scholars, and to bring fresh, liberal arts perspectives to international relations. Through a peer-reviewed editing process, *SIRJ* seeks to become a major vehicle for undergraduate research on international relations, and encourage critical and intellectual dialogues among scholars.
