The languid brains sing a song
 I'm listening to the noise of the water
 Everything is the ocean's sunless black abyss!
 With no beginning and no end!
 Each thing comes and passes!
 Life? Who has a clue?! The face of a hobby-horse!
 Ah, Pierrot!
 I can believe in neither freedom, nor God, nor mankind!
 Only, I find the utmost fissure in the Dadaists!
 You want to find a meaning?! Go ahead!
 All is but a series of affectations!
 I'm tired of this continual boredom!
 The melancholy gospel washes over bones on the ocean floor!
 Why? ! Must I keep on living?!

Now, I don't believe we'll return to the earth or the sky!
 Even my passion is listless!
 I desire neither growth nor individuality!
 Even cinema and pigments are dark!
 Sadness, joy, and sentiment fossilize!
 I'm a wood-block, an ornament!
 I only rattle along!

A noise-making comforter!
 Why must I keep on living? !
 I'm a dead man!
 I'm a moving thing!
 The only thing that touches me is death!

He laughs!	She gives thanks to God!
He cries!	She turns to bones!
He walks!	She walks the path of thorns!
He rejoices!	She withers with fatigue!
He sleeps!	She keeps it a secret!
He eats!	She is a fine wine!
He rages!	She is the shade of death!
He runs!	She is delicate!
He sinks!	She has no husband!
He births!	She drips with blood!
He fattens!	She commits a sin!
He steals!	She embraces him!
He comes!	She believes steadfastly!
He goes!	She is naked!
He rips!	She has a premonition!
He collapses!	She plucks his beard!
He rides!	She trembles her breast!
He bends!	She drops her shoulders!
He leaks!	She goes to the rear!
He falls!	She is a great miracle!
He dies!	She slides along!
He echoes!	She wipes her face!
He embraces!	She has painful eyes!
He receives!	She has black legs!
He pains!	She is dust!
He chirps!	She is a distant rose!

In the road, on the streets, on the rooftops, in the rooms,
the warehouses, the cafes, I-----●

- I live like a pig!
- I live like a spy!
- I live like an informer!
- I live like a butcher!
- I live like an emperor!
- I'm listening to the pale gloomy cartridge tear apart!
- I'm watching the changes and ornaments of the life outside myself!

Advertising tower

A huge gamble

A forest of chimneys, pouring out black smoke

-----Several bodily cavities and a bumpy face and
several round sticks and

yellow and hair and *springs* and a *compass* and tendons
and a *tapeworm* and socks and a calling card!

A dirty *shirt* with several *buttons* coming off and *pants* that look like I just changed—

--that instrument called me!

Ah ha ha ha ha-----ha ha ha
